Software

Windows 10 Pro Education

- Windows 10 Pro Education builds on the commercial version of Windows 10 Pro and provides important management controls needed in schools. Windows 10 Pro Education is effectively a variant of Windows Pro that provides education-specific default settings, including the removal of Cortana*.

Antivirus

- The school will provide Trend Micro Internet Security for the device (free of charge).

*Our students are able to take advantage of access to Microsoft Office Suite without additional charge due to an agreement between all SEK International Schools and Microsoft.

- Capture your ideas however you work best—using a keyboard, pen or a touchscreen.
- Create and edit Word, OneNote, PowerPoint, and Excel documents from a browser.
- OneDrive gives each user 1 TB of personal cloud storage that can be accessed from anywhere, on any device.
